**Subject:** A-4-25-CIP - Housing Community Improvement Plan (CIP) Amendments

Good afternoon,

In review of the information sent for the above noted application, I would make the following recommendation to the below section,

### 2.7.5 Payment of Financial Incentive Program

- Building Permit: Payment of a financial incentive under this Program that involves a Building Permit shall only be issued when the final occupancy permit has been issued, and the building permit is finalized.
