Subject: FW: All-way Stop at the Baseline and Carpin Beach Road Intersection - Tonight's Agenda

Importance: High

Dear Mayor Shoemaker and Members of Council,

I am writing to express my concern regarding the City Council meeting this evening, where it was brought to my attention this morning that the request for a 4-way stop at the Baseline and Carpin Beach Road intersection is expected not to be supported by City staff.

As you are aware, this intersection presents ongoing safety concerns for the children, families, and staff at RM Moore. The ASE system was not approved by Council and now we are learning that the 4-way stop proposal will likely not be moving forward either, I would like to understand the next steps in addressing these safety issues.

We have raised this concern to the Council multiple times over the years without resolution. Before any final decisions are made, we respectfully ask that all stakeholders be engaged in a conversation to ensure that a lasting solution is implemented as soon as possible for the safety and well-being of our community members at RM Moore.

Your attention to this matter and your continued support is greatly appreciated.

Sincerely,

Jennifer
